

ZELFO MATERIALS AT IIDEX/NEOCON CANADA 2011

August 2011

Zelfo Technology will demonstrate various finished materials as part of the THINK:Material exhibit at IIDEX/NeoCon Canada 2011

As Canada's largest national design expo and conference, IIDEX/NeoCon Canada annually attracts 350 exhibitors and 15,000 trade attendees (designers, architects, facility managers, developers) in all areas of design. Now in its 27th year, IIDEX holds a truly unique position in the Canadian design industry as the only major design exposition owned by a professional association, the Interior Designers of Canada.

Exposition: September 22-23, 2011

Conference: September 22-24, 2011

Direct Energy Centre, Toronto
