

## ZELFO TECHNOLOGY AT THE LIGNA FAIR – HANNOVER 11TH – 15TH MAY 2015

May 2015

Zelfo bio-binder and composite materials will be represented by their technology partner Binos GmbH, (Machine and Fibre Process Technology Developers) Germany. For further information regarding the partners see the Zelfo Technology website News Section – Zelfo / Binos Joint Press release of 30. April, 2013.

A highlight of the Binos stand will be the next generation of their highly successful 'Fibre Board Scalper' product.

Binos GmbH Hall 27, Stand E37.
